

Manitoba Organic Development Fund Funding Application

The Manitoba Organic Development Fund (MODF) committee consists of organic grain producers in Manitoba. They are elected by members of the Manitoba Organic Alliance and manage check-off funds remitted by organic farmers. These funds are collected by organic commodity buyers and forwarded to MODF.

MODF's priorities are to support organic agricultural extension, research, and market development initiatives, along with specific organic sector development activities. MODF's goals are to support research and education to build resilience on organic farms. Its specific interests currently relate to:

- 1) Cover cropping
- 2) Fertility
- 3) Weed control
- 4) Livestock integration
- 5) Resilience

Submit your completed application, including the proposed budget, to modf@manitobaorganicalliance.com.
